

# Application equipment – grease guns

MOVING YOUR WORLD

## System Reiner

- A versatile system for safe and clean lubrication of machinery.
- The system has been developed by FUCHS and consists of a screw cartridge with an associated grease gun.
- Works excellently in all types of industry, especially for safe handling in the food industry.

### Fördelar

- Clean to use
- Reduces the risk of fault lubrication
- Gives a high pressure
- Easy to see level
- The entire grease cartridge is emptied

### 602421012 AKKU-FETTPRESSE 18 V AMP

Professional, battery powered grease gun suitable for 400g pull-off/ Lube Shuttle® cartridges and 500g System Reiner screw cartridges.

- 4,000 mAh Li-ion battery
- Up to approx. 400 bar
- Capacity: approx. 100 cm<sup>3</sup>/min
- Ergonomic, rubberized grip handle
- Connection thread: M10x1

800475817 Ersatz-Akku 4000 mAh AMP  
Extra battery for AKKU-FETTPRESSE

### 602424099 HD-GREASE GUN CASSIDA

Grease gun for System Reiner cartridges.

- Two-handed grease gun, for safe and clean lubrication.
- Up to 400 bar
- Approx. 1,5 cm<sup>3</sup>/stroke
- Connection thread: M10x1

### 601069055 SINGLE HAND REINER GREASE GUN

Grease gun for System Reiner cartridges.

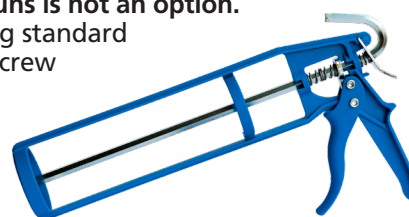

- One-handed grease gun, for safe and clean lubrication.
- Up to 150 bar
- Approx. 0,8 cm<sup>3</sup>/stroke
