

# ECOCOOL 711

## Water-Miscible Machining Fluid

### Helio Precision

**Applications:** Gun Drilling

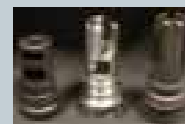

**Substrate:** Cast Iron

**Parts:** Armaments

**Systems:** Stand-alone DeHoff Gun Drills with Fluted Carbide tips

#### Previous Issues:

Tool Life  
Fluid Carry-Off  
Overall Fluid Spend

#### Benefits realized :

- 40-50% increase in tool life
- \$25,000 tool savings per gun drill
- \$50,000 yearly savings on coolant spend
- Significantly higher technical support
