

MOVING YOUR WORLD
by powering towards a better future

LUBRICANTS.
TECHNOLOGY.
PEOPLE.

Your global partner for superior wind lubrication solutions

To ensure wind turbines operate efficiently and reliably with minimum-possible wear and maximum power generation, you need a partner who has both: **Experience and innovative strength**

Key benefits

- Green solutions that make you more sustainable
- Solutions tailored to your needs
- Lubrication expertise and out-of-the-box thinking wherever you are located
- A full-line supplier with a one-stop shop for all wind applications worldwide

Our approach to wind lubrication solutions is based on three core components

Technological Leadership

Our team of qualified product managers and field engineers along with a well-trained sales team work together to develop the lubrication solution tailored to your individual wind applications.

Global Customer Orientation

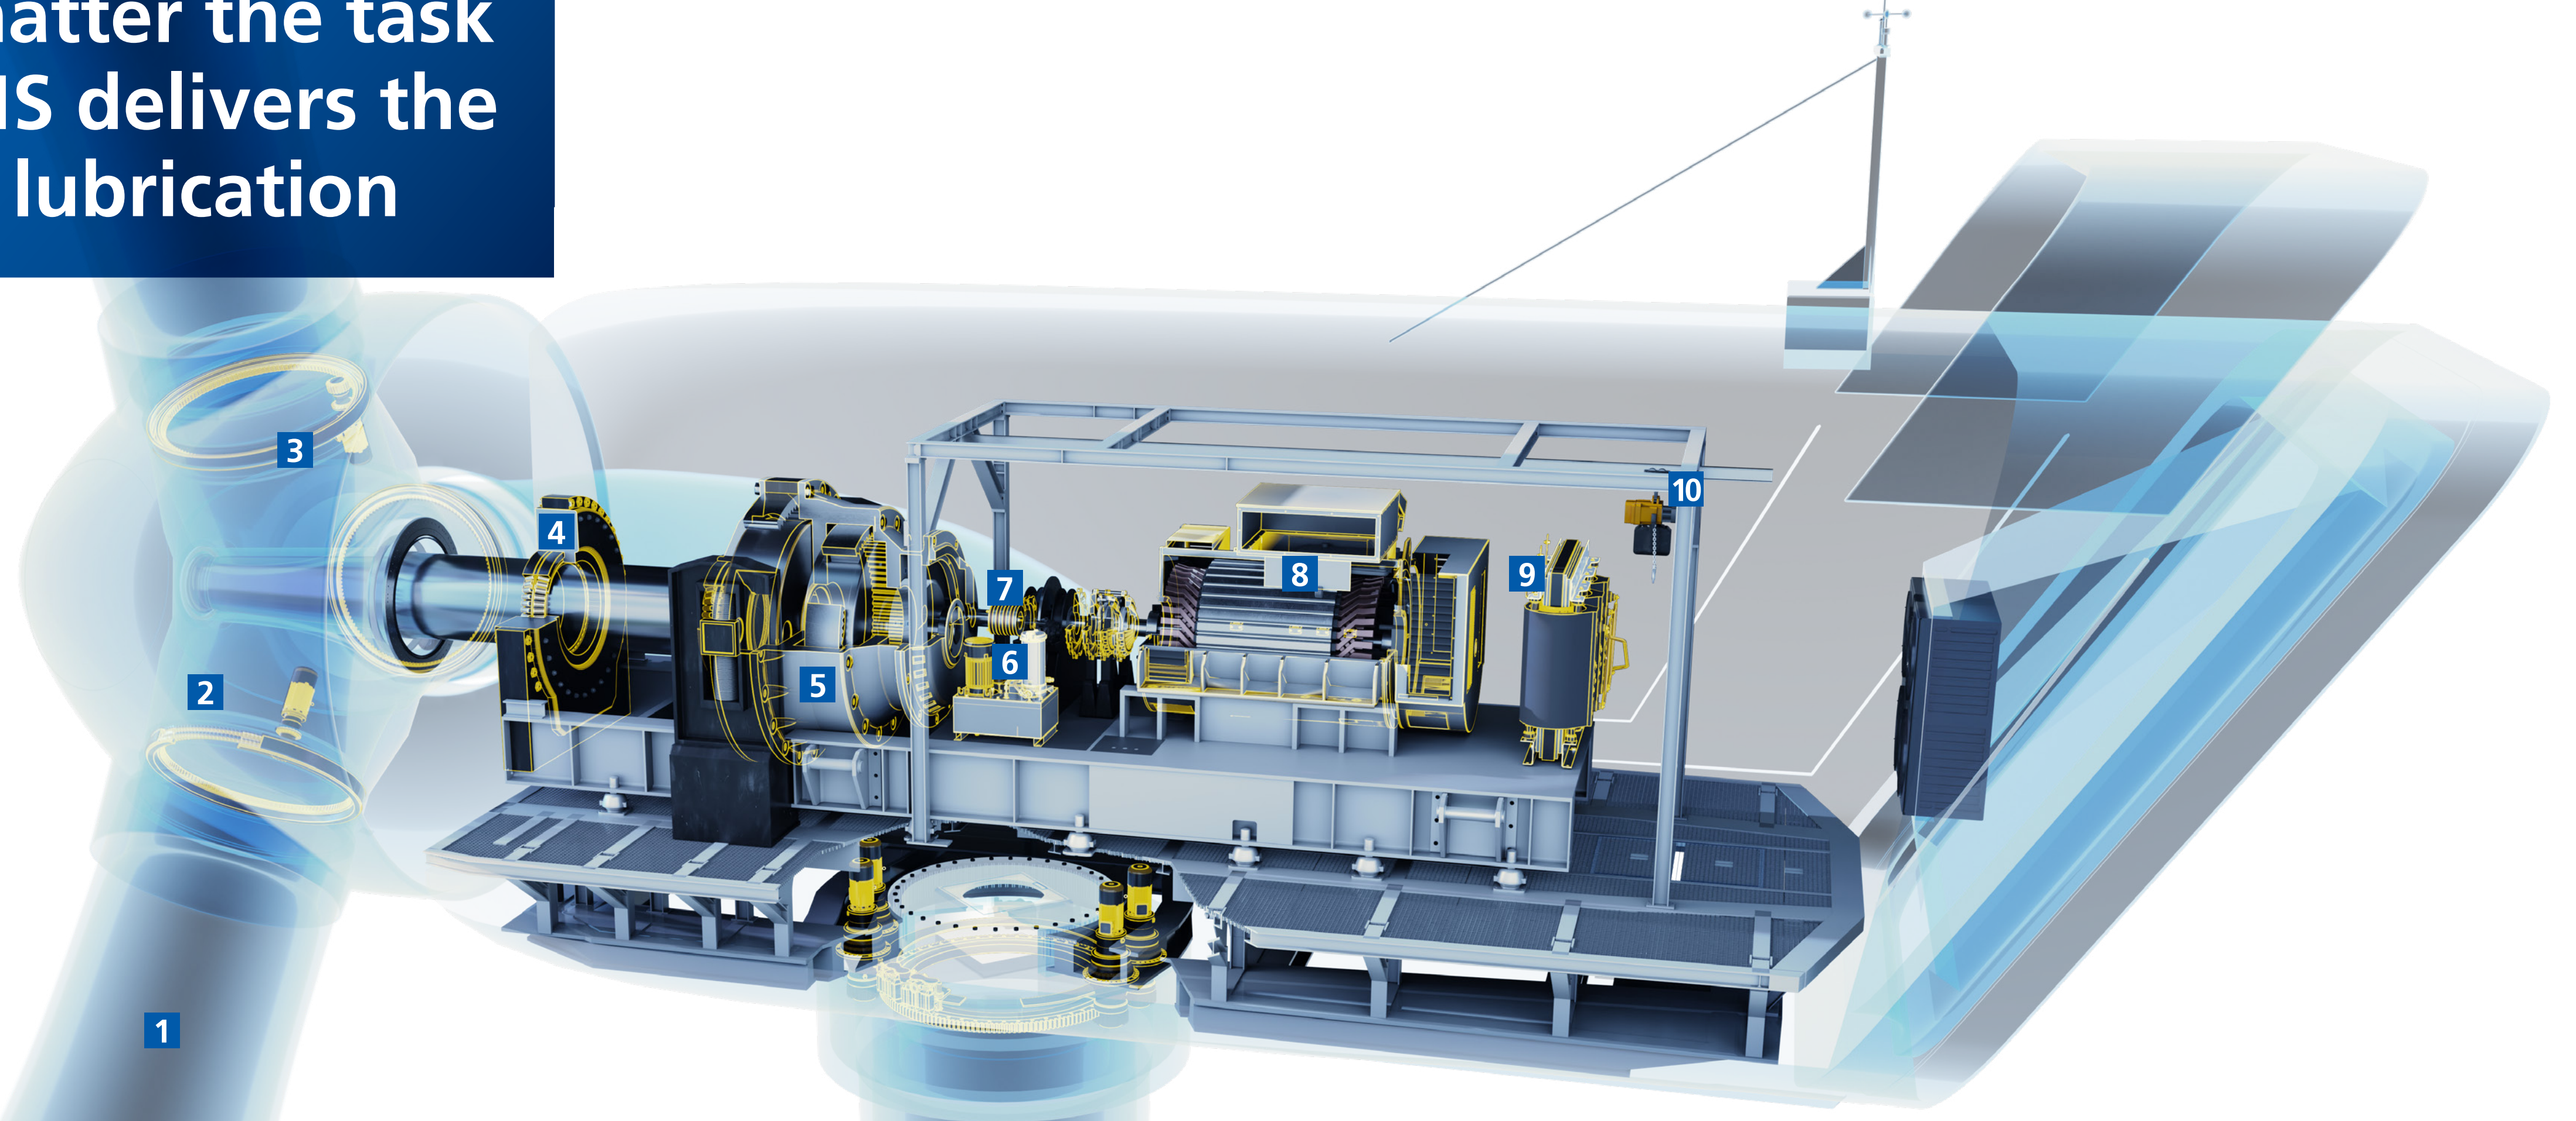

Take advantage of our expertise in wind power as a global full-line supplier for all wind lubrication needs all around the world.

Eco Efficiency

Partner with a company that focuses on green solutions and helps you become more efficient and sustainable. FUCHS solutions lower wear and extend component life.

No matter the task
FUCHS delivers the
right lubrication

1

Surface/blades

RENOCLEAN GSA 5201
RENOCLEAN GSC 5202

2

Pitch bearing

GLEITMO 585K
GLEITMO 585K PLUS
GLEITMO 850 ST
STABYL LX 460 SYN

3

Toothings

CEPLATTYN BL
CEPLATTYN BL WHITE
CEPLATTYN 300

4

Main bearing

GLEITMO 680 XT
STABYL EOS E2
STABYL LX 460 SYN

5

Gearbox

RENOLIN UNISYN XT 150, 220, 320
RENOLIN UNISYN CLP 150, 220, 320
RENOLIN PG 320
RENOLIN PentoGear 320 WT
PLANTOGear 320 S

6

Hydraulic system

RENOLIN XtremeTemp 32, 46
RENOLIN UNISYN OL 32, 46
ECO HYD S PLUS
RENOLIN HVI 32 GA
RENOLIN B 32 HVI Plus
RENOLIN ZAF 32 LT

7

**Data-slip-ring/
Power-slip-ring**

RENOCLEAN GMS 7204
RENOCLEAN GMS 7205
RENOCLEAN GVS 7207
RENOCLEAN GVS 7206

8

Generator

URETHYN XHD-2

9

Transformer

RENOCLEAN GMO2203

10

Chain hoist

RENOLIT Replex

Let's assemble your solution!
